I didn't. Nancy did. I don't look at twitter. But a lawsuit is something to consider.

I am very sorry for the late night barrage, but c=early Buzzed wasn't particularly happy with the potential lack of r=sponse to the original article so they seem to have ramped it up a note.&nb=p; Their tweet argues that this is just one of many sets of allegations aga=nst me, and it says among other things that I told dirty jokes to undergrad=.. something that is not in the article. Clearly they (and the=r pals like Ed Cara) are trying to launch a more concerted effort to make t=is hit. I assume you are perhaps flying back to the US.. Can we=have a chat sometime tomorrow if you are back about all this.. i.e. the sta=ement, the potential damaging letter to aldhous that I am trying to procure= and this other potentially slanderous stuff? I am beginning to feel t=at in addition to exposing this, that a lawsuit may be in order.. but I hav= no experience and so I could be totally wrong.
