Good =orning,

In order to address the items that need to =e resolved before we can finalize the closing, we have a =all scheduled with Milie this morning at 11:30 to discuss the =tatus of the residual stale:

1. outstanding checks
2. accounts receivable
3. accounts payable
4. miscellaneous incoming unapplied =dvances
5. miscellaneous outgoing unapplied =dvances

=hat  
While Milie offered to speak with us =esterday afternoon when she was off for the holiday, I thought the call would be more productive if she had access to her =taff as well as the files

The first round of documents will include the bank reconciliations, bank statements and supporting general ledger accounts that Milie provided to us. There are numerous stale checks that need to be reversed. Many of which were addressed last year

The trial balances are still being worked, including but not limited to the process of building the entries from last year in regard to the well past due receivable and payables
