Jeffrey--Had a long discussion with Ian yesterday about how to go =orward and reviewed his proposal. If you can afford it, I'm confident =t will be worth it. On the scale of one to ten, with ten being present =tate of antipathy to you, I think it can be reduced to 3-4 in 18 =onths. I'm completely signed on to being part of this effort and would =ope to essentially co-manage the process with Ian--I would arrange with =an on this. I'd personally have a sense of satisfaction in both helping =ou out and, in addition, figuring out the process here and striking a =low for reason and sense. It's a kind of journalistic effort in =everse. Also, I think we'd enjoy working together. Delighted to discuss =urther. I'll be in London next week, if you are anywhere close--back in =YC on the 29th.
