**Subject:** Re:

My mom is in Zurich / Switzerland and is being treated at the University C=inic Zurich (<http://www.en.usz.ch/>)</=iv>

She is 68 years old and otherwise in good health, has had a relapse of=AML and is currently undergoing chemotherapy with Dacogen.

She is p=anning on having a stem cell transplant as this seems to be the only viable=option that could lead to a complete remission/cure of the leukaemia. =/span> =br> Full medical records are available.

Many thanks  
David
