Subject: 5 palms

Do you have the finish schedule i did for 5 palms?

I don't think you can determine the interior walls til you get the big cabin=t erected Are there outstanding issues that I can help with?Jeffrey will need to paint=out the exterior hard scape , revisit the finish, it was Saltillo in my las= note

One thing , did glidden get a cost to get power from the proposed heli pad 8=0' to 5 palms?as an alternative to a generator. Jeffrey will need to decide=if it makes since subject to the heli pad going forward
