Subject: Cease and =esist/Professor Lawrence Krauss

Dear Mr. =ldous:

I am writing as litigation counsel to Professor Lawrence Krauss. It has come to my attention that you and Buzzfeed have engaged in an outrageous and protracted defamation campaign against Professor Krauss, including both libel and slander. Buzzfeed's campaign has been malicious, undertaken with absolute reckless disregard for the truth, and despite repeated disprovals of the falsehoods you continue to harmfully disseminate. Your defamatory efforts have also been undertaken, for reasons known only to you and your colleagues, with the intention of tortiously interfering with the contracts of Professor Krauss, and Buzzfeed has unfortunately succeeded in this malignant purpose. We have both testimony and documents from a litany of well respected third parties that provide overwhelming evidence of your and Buzzfeed's malfeasant attacks on Professor Krauss. We are still tallying the damage.

You and Buzzfeed will immediately cease and desist from further defamatory statements regarding Professor Krauss, and you and Buzzfeed will immediately cease and desist from any further efforts to tortiously interfere with Professor Krauss' contracts. If you and Buzzfeed are wise enough to ignore this notice to cease and desist from the actions described above, the appropriate legal response will be swift. Notwithstanding the foregoing, all legal rights are reserved.

If you have more harassing emails or any prospective communication you wish to transmit to Professor Krauss, you are instructed to send them to me as I am now represented by counsel. If your or Buzzfeed's counsel, however they may be, wish to send me a letter in response to the above, be aware that I may, depending on its contents and because I would be obligated to forward it to my client, consider such letter to also constitute a trigger of the above and react accordingly. Professor Krauss has suffered enough abuse at your hands without commensurate consequences.

Sincerely,  
Adam Waldman
