I have just heard from Moscow State University people and they w=ll be happy to give you a tour of the university and have you meet a few p=ople. Assuming you are still interested, your host will be a young neurops=chologist/neuroscientist Zara Melikyan. I know her only through email exch=nges but she sounds intelligent and speaks good English. MSU has two campu=es: the original old one downtown facing the Kremlin and within a walking =istance from your hotel, and the modern main one in a different part o= town. If you have enough time, she will show you both. What is the best w=y of contacting you in Moscow?
