Subject: <=>Fwd: GSJ-Space Planning Diagrams-REVISED II

Dear Jeffrey,=I hope this general zoning diagram makes more sense for you. Please let me=know if it works and if you want us to continue developing the schematic d=sign based on it.

We are definitel= capable of handling this and any project. We just need to get to a point =n which we can understand what you envision and if we can't, then =e have to either spend more time together or stop and step away.

I really hope we can continue working with you and=in order to do so, we also need to bring the outstanding invoice current. =/span>

I know you feel there is Zero progress bu= we have been working non-stop on different concepts following your direct=ons and this is what this conceptual stage is for.

Please advise,

Ramon Alonso
