This is not the first time I am telling you about the=school. And what a coincidence - it=#39;s in New york and I could have started today..'

I already said thank you, I already said I appreciate the flying very=much but it seems the more I say it, the more I express how much I like it= the more you use it to control me. You sent me away from Florida so I g= to a flight school somewhere else but I've been now sitting in the ap=rtment for 3 days with nothing to do. and since you couldn't respond y=sterday without picking on how I word the question instead of an answer, I=am wasting another week. it is not fair
