Jeffrey,

I spoke to Chris at length tonight, he said that Sikorsky feels=we should show good faith in closing on the current C++, at that time they=will negotiate a better price on another C++ for you,

Chris reiterated that Shmitka is being accused of being=AObrokers and they hesitate to show us a low price, plus we are using th=s closing as a negotiating tool,. He told me that Mark Poloand (Director=of Commercial Sales for the Americas') has his monthly meeting=A0later this week with Jeff Pino the President of Sikorsky, to review sa=es and closings, both are aware this C++ has not closed. Chris informed =e that He and Howard asked Mark Poland to delay turning this over to=their legal department at this time with hopes this will close, and ke=p a good relationship with you. Mark Poland and Jeff Pino are aware of =hat has happened in the past with this delivery schedule and what Chris =as given us.

Chris said Sikorsky has met all of our request for closing including=the additional 20K discounts, and cannot understand why we are not closi=g, they are very upset (actually the word he used was Pissed) according =o Chris, he said this has to close tomorrow morning,.(his words) as alwa=s Chris was very cordial but wanted me to know Sikorsky's stance befor= this goes to its legal department.

Reenstra has not been paid his commission according to Chris also...</=iv>

Sikorsky is well aware of your dissatisfaction with the first S76B a=d S76C++ that you owned and wanted this one to be right.

please advise how you would like to proceed?

Thank you,  
Larry
