Subject: Re: revised statement.

In Aug 2017 I was informed of an allegation re a private =C2◆restaurant after a skeptic event in july 2016 in Australia. It =as alleged by a disintrested third ' party that durin= a session of 'selfie' photographs, I had touched a woman=E2◆◆s breast. The allegation not supported by any document=and made anonymously was made by a third party, and was not reported at th= time to the organization, but was sent in letters to two Univ=rsities with which I am associated, and to Buzzfeed. The alleg=tion was after an investigation was , not in any way to my surprise totall= discredited by both Universities. Buzzfeed decided however it ◆=A0might be good fodder for a story about alleged sexual harassment by a =E2◆◆prominent scientist', feeding an effort to support the cla=m that the skeptical community is dominated by misogynistic harassers, and=supplementing it with the claim that somehow my Universities were protecti=g me from claims of harassment.

=/div> you must be very careful as they will parse evry se=tence. . ex you were not informed of a false allegation =C2◆
