Our Fe=ale Economist and BBB Gala is now a huge event and we had like 6 big newspaper=20 articles and a full house of important people....all really thanks to you!!=ext year we'll have a big 10 year anniversary and I hope you can come! I se= the date for June 7th, 2010. As you know I had invited Hillary Clinton to come =s inspirational speaker but she got busy since I asked her, perhaps we get he= to come next year, the school could always give her my honorary doctor's=20 degree..that way she will come! Anyway, did you get the big photo yet with =any of the girls on the staircase? The little blond girl in the pink dress=20 behind me there, Josefina, also sings like an angel, she performed at our=20 Gala as well and will also perform at the formal 100 year anniversary for t=e king and queen Sept 11 , she is very pretty I think...! Marcus thought so t=o and I notice you seem to have similar taste../ where I am supposed to walk=20 around with my new fine medal! // - I am sending you some info on this congress woman who seems cool, I like the title of her book / Sex Scie=ce and Stemcells.....because of U.S. Ethics Committee, we invited her via =SE and Barbro's Fund, the president Lars Bergman signed the letter, but it=is really Karolinska Institutet who will benefit in addition to our summit. / =hat happens with you / are you always out???Wow, almost a full year now..?!!
