Hi! How r u?

Maybe [REDACTED] told u about the Richies dogs I'm having for a weekend.

Cuz he had to leave to LV and was so busy that he didn't have time to f=gure out where to put them..I was with him when he was stressing about it =o I just offered myself...its not so much fun cuz its pugs and they r real=e stupid and badly trained...its freaking me out.haha...and actually those=dogs r his ex gf's..but he takes care of them sometimes. Do u think it=was a good move to do that?

And I have another thing...actually 2.

He has bday in 2 weeks and I have no idea what to get him. What kind of pre=ents men likes? Except some great sex of course..

And at some point I have to tell him that I'm gonna break up with my bf=from Slovakia. I don't know if that's gonna make us move to the ne=t level, probably...the thing is that its fun like it is now..and I'm =retty sure if we gonna get serious it won't work.but I guess it has to=end somehow anyway...so maybe that's the way. I don't know..

What do u think?
