it is not the same- foundations like people are all not created equally. :). unlike cash the contributor could be setting themselves up for problem ( tax) on contribution. ! I am not sure the standard 501 c4 is a pinnacle of today's possibilities. recall bitcoin is inherently anonymous and bearer like. I am currently impossible to establish jurisdiction . custodianship= / insurance. / agreed valuation/ regulation. The film looks like sooo much fun.!

Having our fec lawyers check all this but think 'property' is fine as folks donate real assets all the time--this is same as a foundation---when I save 'have' I mean we take it as a donation and then use it on support of building out this grassroots army , unless you are saying we start to issue our own

Btw we would call it 'the citizen'
