1 I generated 1. 8 billlii=n dollars of tax loss for you / I will feel badly but not that bad= having to destroy alans credibilty and jeopardizing his career. =AO I feel it only fair , that you and I agree, bef=rehand however that aftrer we meet and if you concur and only=if you concur that his story was false - what amount of money =ill you pay . If it is less than 25m/ not worth it. ! =C2 I need to agree with you so as not to cause harm to him , mere=y for my and your entertainment.

2 You understood th=t taking a painting from gagosian , that he said was offered at 150 = but will give it you for 60 . keeping it , saying we will work it o=t. and then deciding to pay 10. is neither friendly, fair nor =ight. . He would be within his rights to take back the paintin= and return to you your 10, ie recission. at lea=t you could not expect that he would have any further obligation to you fo= life;

3. From day 1 , I told you many times in writing and in =erson that 40m per year buys you total advice. or you can choose a p=rcentage , you chose a percentage and repeatedly said I =ave no trouble paying it, if I can see the value.

4. I tol= you that 1031 usuaally split the bene. you told me in t=is case it would only be 2 - 3 weeks. but things could happen.=C2 . implicit if things happen normal percentag=s should apply

5. you told me it was a simple matter of biz deduc=ions . 2 hrs work, when you were told almost the 2=nd week in that this was not the case. A friend would have sai= , this is not what I thought , lets talk about it. inst=ad you said , sorry , you agreed to handle it for free. =ame as the 5825. i said i woudl handle a simple request/ =months of contentious meetings. no offer to compensaate
