Finally, I reached her. Her blackberry was lost or stolen, and her computer=is at Apple broken. On top of it, there were THREE big 21st birthday celeb=ations for her in nyc this week--whoa.....Anyway, so she wasn't gettin= any of my calls or messages, but I caught her at home through my maid and=Peter. She said before losing the phone, she did contact Mattie a couple o= times, and I gave her your number last night through Peter.. Now, you can=see my frustration in certain periods like this lately, and I heard of cou=se through the grapevine that S was back around. Well, she was very ent=usiastice when we were together.. Well, I will be back in NY Wednesday to =ee what's REALLY going on. My birthday was yesterday and some Paris fr=ends threw me a surprise party at an old jazz club. Give me a time when yo= are at the office and can talk. Don't give up on her yet! Thanks a=d xox
