What I understand is jeffrey take it or leave it ..I am unwilling to think of your needs only what I want. You know me ,I will not help or

make any effort because others can to those things. I believe you

have it backwards , every black teenager can and does have a child .

The real challenge is to create a quality life as an adult. Bringing more to the table then you consume . Ball-e or baby can't be critical and using them as a mirror to gain applause is unhealthy. That being said I love you and suggest we come to some type of resolution .
