all you had to do was send a photo when asked,, and not wait for the next =ay. it was not her error it was yours. you have phones blackberry= computers.. there is not reason whatsoever that you have to physically be=at home to push a button,, it is a silly and losing position..

A plant photo for jenna that cannot be bought before the afternoon was n=t my priority this morning since she didn't say she had to work at 3.3=. I sent it right when I got back home.

This is how you make people dis=ike her even more - by blaming others for her mistakes.

Ok

Nothing to do with running your office, you told me to have her ru= errands and of course she didn't say a word about having to be back a= a certain time.

She got the photo at 2.30
