you didn't constantly bitch about [REDACTED] etc, you didn't feel a= if you were entitled to ask where when why,, , you didn't feel it nec=sary to make others feel uncomfortable or tell me you would do things , pr=promise to do things and then , not. you didn't feel able to putrify the =ouse, and expent others to clean and ignore it. you and I had fun,, I had =y naps , my, my..... and you didn't get upset, and then mope a=ound the whole day. I didn;t have to explain who was comiong and why. i di=n't have to listen to " I called ten times and no one picked up..=You didn;t spend the majority of your time shopping for yourself, , I don&=39;t care about things,, if you think its the dirty carpet, instead of the=total lack of thought , you are simply deluding yourself. , At that time i= you recall, not one person did not coment on how nice it was to have some=ne who said little and was pleasant.. it then turned into jealousy [REDACTED] = , [REDACTED] russians. frogs,,, , you did less and less, and expected more a=d more,, . do you think if you crashed the car, i would give a shit.. abou= the car, if howver you told me that it would be better if i have to an=wer my own phones than have someone in my own house that helps out,, that =s disturbing. I have not asked for you to fix it alone,, but i have =sked you to do the monst minimal of things.. things that you continuall= refuse to do.. the flowers and the carpet ,are the results of your self f=cus. The last time you had your issue with the dog, was it becuae of the =ardwood floor.. I think not.. It was the total lack of responsibility .

Jeffrey, I can see I have a part in this unpleasant situation but I can't fix it alone. You seem so unhappy and let little things ruin your day= even a week.. I was so taken by you when I met you because I never knew a=yone so easy going, carefree and fun and it was wonderful. You didn't =et anything get to you and had an attitude that things are just things and=people are what matters...

I remember I broke a bike and ruined the stone border by the gym when I fis= came to the island and I felt terrible about it. You just made a joke and=never mentioned it again..chances of that reaction from you now are close =o 0. I don't know if you are just recovering from jail now or this is =he new you but to see you shake with rage because of dead flowers still in=the pot or a dirty carpet is very disturbing. It is understandable but it =s how most men would react, not you.. In the scheme of things this is so p=etty and the reactions are so out of proportion. You will have to be misera=le all day if you don't pick your battles.. I would know ;-)
