Boy, it's a different feeling being surrounded by jets in a little cess=a and fighting to get a word in on the radio with NY approach.. It was lik= a tv game show where you need to be the first to push the button or you l=se. I lost. The instructor was laughing at me not being able to get on the=radio and then when I did I forgot what I wanted to say.. ;-)  
Oops

PS: The tower actually warns you about wake turbulence even 1min after the =ets depart. We just joked about actually flying behind a jet in lantana..T=is was crazy
