Subject: Re: LSJ Vegetable Garden

other than resh there is a guy that does organic , gardeining on st thomas.=also the university could be a resource.

www.howardresh.com, his method is based on a hydroponic method which will require a greenhouse. Are you thinking that you would want a greenhouse on the island? If so, I was thinking that we could tak= a portion of the existing terraced garden and enclose it in a greenhouse.=A0 Thoughts?
