Hi Brad-- hi Jeffrey

For your information I basically disagree with just about everything in this memo other than the first sentence. Happy to discuss all when we do meet.

I Brad, leon said that he has been waiting for over a year for me or you to set a meeting. he said that he discussed with you and you agreed that his payment amount was the right one. (He also acknowledges that you were not told of the agreement re percentage of savings.) He bellives that having to wait to deduct the fees. should be taken into consideration. and that I agreed , that and no more work would be done. and posits that no work was done .separate from tails of past deals. . . I have offered with a sense of fairness between friends. to pay him the money back and like in any other dispute, rescind the benefits . leon if i have not described your views properly please respond
