i do not=want to argue with you.. I don't consider [REDACTED] worth talking about. =I have no feelings for [REDACTED] . , she is like [REDACTED], i needed help, thats it n= more. no less. . i have a monstrous amount of work in progress. I have=asked for your help . . the garage is a pigstye. I am no further ahead wit= landscape lights, dock, statue base, the house has dog shit and piss,I ha=e cleaned it up myself I , and not challenged you. I went through kitchen =nd house things without you , in an effort not to embarrass you. espe=aillly in front of others. since before [REDACTED] left on her vacation. you=wanted authority , no food, flowers, facial, helper, / i love you, =nd want you to be happy. I need help to reduce my workload, I think you=should re read your emails to me. I asked you to set aside time to talk , =ou chose not to, . brice valdson [REDACTED] and [REDACTED], need to brought in to =elp , maybe [REDACTED] to try out. story to do local things. kichen d=ors, etc. As I have tried to explain , an agreement has two parti=s, you have chosen not to fulfill your part, it is your prerogative, be=ides making soups, which were great , as you followed the recipe, (a disci=line that you abhor ) , healthy snacks, low cholesterol, food, house proje=ts , . I made a point not to argue, it has become silly I get angry, an= nothing changes, therefore taking getting angry out of the equation seems=to make sense, I have asked that you have a budget, it allows you to=see what you spend and on what. it is also a reflection of what actually g=ts done. you have chosen not to do it. no problem.. I love you , so wha= am i to do? , I need time to get my life in order , I would have hope= having you here would reduce my load ( not that load ). instead =f adding stress and conflicts.

Did [REDACTED] stay in the apartment or at the house after I left ?

Do you realize it took years for me to get over the lies you told me regarding [REDACTED] in the past (being in aspen, taking her to the palace, going to the movies with her..)

I spent a lot of time talking to both [REDACTED] and [REDACTED] about it. I used to get sick every time I looked at [REDACTED] or even heard her name because it reminded me of those lies. It was not a secret to you or anybody else that I couldn't stand her. Now I was finally at a point where I could trust you not to do that again and I didn't mind having her around. But the moment I left, you did it again - despite an agreement she was to leave on Monday, you decided to change her ticket at the last minute and not even tell me about it until the next day (when I already knew she never came). When I got to NY, she wasn't here and you were not answering your phones.

You don't like being accused of deception yet you don't even care to explain how it is possible that this happened again...this is a tough one for me to ignore...THIS is a very irritated nipple
