thank you for sending

please advise on timing of when your reviewed financial statements will be complete and when you can give us an answer on amount of cash we could use for buyout of partner

thanks

Subject: RE: ShareFile

The first round of documents will include the bank reconciliations, bank statements and supporting general ledger accounts

that Milie provided to us. &nb;p; There are numerous stale checks that need to be reversed. Many of which were addressed

last year

The trial balances are still being worked, including but not limited to the process of building on the entries from last year

in regard to the well past due receivable and payables
