I would have seen Tina but I have no money to pay her. It works very well for my diet but not so well for my emotional health.

I have tried but not succeeded in trying to teach you, guide you, empower you= I have asked that you read some of the great books so that your conversation would be based on more than yahoo news and tv talk shows. I have not=succeeded.. I had asked that you keep in shape and learn to cook, i have n=t succeeded. to learn to taste not only food but distinguish quality from =he commonplance. THE things that you write that have broken our rela=ionship are not the things that you have done are right but the things tha= have been wrong. I tried to teach you a different way of life, beautif=l things, elegant and unusual ideas. and introduced you to a life that few= get to see. Your needs as you describe them center on what I should =ot do. It is pretty simple, without a realtionship with you. I would ha=e been able to do more,, and without our relationship you would have been =ble to do much less. You need to seek advice elsewhere. Get professiona= guidance. I love you and hope that someone holds your behavior up to you =o you can see for yourself.
