(I= that supposed to be different than how you have spent your time till now.= The question i have asked for months is what is it that you would l=ke to contribute,, I have asked that with [REDACTED],and each one of your shr=nks. to suggest that what you will now contribute is to allow me to do =s i please,, or in your words supporting my likes. that is not a contribut=on at all. .. If you were not there , it would be no different,, you seem =o suggest your contribution is that you will stop hitting me in the head, = like the village idiot, who hits himself). so that it will feel good w=en it stops.. I am trying to be a friend,, you tell me the important da=e is the 23, please forward info that confirms that.
