I am definitel= not suggesting to leave for a month, I thought I made that clear. I thoug=t what would be a nice break is not to be 'questioned' about doing=what you decide even if it is in conflict with one of our prior agreements= And this 'time of no expectations' applies to the deals that affe=t both of us, not just you..that is what I meant by 'I can spend my ti=e as I like too.' It was a suggestion to start with no baggage. If you=don't like it, then what do you want to do?

I didn't say I don't trust you, I said I couldn't trust tha= what you say will happen.

why don't you re=read it.. you have broken your pro=ise,, you want to spend the weekend with [REDACTED], i don't trust you. , i=can[t trust anything you say. - last night i asked for suggestions --yo= offered silence,, i asked what the non-easy way out was.. you offered =ilence. now that you want to leave for a month.. spend the time as you =ee fit. ( Is that supposed to be different than how you have spent your=time till now.? The question i have asked for months is what is it t=at you would like to contribute,, I have asked that with [REDACTED],and each =ne of your shrinks. to suggest that what you will now contribute is to =llow me to do as i please,, or in your words supporting my likes. that is =ot a contribution at all. .. If you were not there , it would be no differ=nt,, you seem to suggest your contribution is that you will stop hitting m= in the head, ( like the village idiot, who hits himself). so that it w=ll feel good when it stops.. I am trying to be a friend,, you tell me t=e important date is the 23, please forward info that confirms that.<=r>
