..or another thought.. maybe remove the border and dont use that painti=g, and do this picture you just sent to me on the entire ceiling.. this pa=ete of colors works with the color of the furniture..here we have a difere=t blue..

it might looks nice, but its gonna take a lot of time to do the entire =ural. i have to work just myself with maybe just one helper.

Mr. Epstein,

Please find attached the original ceiling rendering you have requested.

It is a photo of the original, miniature mock up of the ceiling, done in watercolor. You will see that the center panel is heavily decorated and it becomes much less so toward the outer edges.

Please let me know if you have any questions.

Best,

Bryn
