It came out to \$140,000. Once we come up with a real plan I can beat up the numbers we can buy the stone directly etc

Hi Russell,
Attached are the images we are developing. There are things that need to be added and adjusted. =/div>

Doors in each arch
Plantings for the visual buffer between the MH and Pool

I like where these are going, I think we need to move the structure away from the house a few feet, which is a minor adjustment.

Thanks,
Bryan
