Hi Kevin,<=u>

=u>

Regarding des=red outcomes.... EY has been engaged by the Crown Prince of Saudi Ar=bia to help the Saudi government develop two ultra-luxury islands off the =oast of the Red Sea.

=u>

The target de=o is similar to that of the Core Club: global citizens with \$30 million to=\$1 billion + in assets. The goal is to imagine, design an= develop experiences unlike anything that's ever existed.

=u>

Our client◆=80◆s project lead is in NY and we felt it could be valuable for him to m=et with and exchange ideas with you about target audience, how to serve th=m, how to differentiate in an increasingly competitive market, etc.

=u>

Please let me=know if you need any additional information. Looking forward to meet=ng you tomorrow.

=u>

Thank you!=/u>

Sam,

Thank you for the email.

The team will be expecting everyone and will escort everyone to the correct=location.

As Jim suggested a tour after could be very fitting. Regarding the discussi=n, what is the desired outcome from this meeting on your end? Are you look=ng for something in particular?

All my best,

Kevin
