Hi R=ssell,

Added and adjusted.  
Attached are the images we are developing. There are things tha= need to be

Doors in ea=h arch

Plantings for the visual buffer between the MH and Pool</=iv>

We are starting the final concept wh=ch is to remove the arches between the  
main house and pool but will have t=e pergola instead. It was an idea we discussed and should be seen. These w=ll be  
more complete on Tuesday. We also will show an option where we drop =he pool, although it may not be necessary.

= like where these are going, I think we need to move the structure away fr=m  
the house a few feet, which is a minor adjustment.

Thanks,

Bryan
