Jeffrey not sure who Richard is

I'm the best out th=re and will save you tons of money and time

The generators are still not w=rking because no one has been able to fix and I know electricians have been=there and I'm sure not for free

These generator guys are the best and yes=they are expensive but will fix the problem (by the way they still not have=been released)

The architect is not my architect and I stopped him w=rking on the spa after I got that last plan because you said we were meetin= another designer

Spa pricing will be much cheaper with me i=volved than some "contractor estimate"

Call me when you have a mom=nt

we have generator guys coming at a s=per high rate.

drawings done by want to be architect and no value=added to date..
