Rich  
even though this is a premium cost for this service, Russell and I agree its best to get a second opinion from an  
Authorized company, before proceeding with the over haul of the Generators.  
Can please advise which CC we can use for authorization of Service. We would like to process out today, as we maybe  
able to get Rimco on site next week.  
any concerns let me know.

Hope all is well!

We have CAT technicians set up to visit for the 3 day full analysis inspection of the 2 generators, Feb 19th thru the 23rd.

We need to send CAT the authorization back as soon as possible to keep the above Dates. The Sooner=the better due to Hurricane Maria. We don't want to lose the dates=

If you can, please let us know when payment is sent, so we can follow up with CAT to confirm dates above remain.

Thank you  
Mark
