Soon-Yi:

Woody asked me to send you these links:

Daily Beast (2014):

Ronan Response (2016):

Dylan Response (2017):
<https://wp.me/p7AsWx-W>

Moses piece (2018):

You can get those last three pieces all in one place, but in reverse order, here:

There are also some other very good essays out there by people other than me. If you want links to some of those, let me know.

Best,
Bob
