Hi Rich,

This is Becca Rodriguez (Carlos' wife). I am so sorry we didn't reach out to Mr. Epstein more quickly after you poke to Carlos about his continued salary. I told him we should get a card to thank the boss because it was more personal than an email. I also wanted to have myself and my son sign it to show our appreciation. We are so grateful for the support. It is enormously kind and we are forever in Mr. Epstein's debt. We would have had great difficulty getting through this ordeal without his help as hospital bills are starting to pile up.

I know Carlos is eager to get back to his captain's job as soon as he gets cleared to drive the boat. He is willing to help out in any other area in the meantime if you have use for him.

I will make sure to send the card ASAP and we will also email Mr. Epstein to thank him later today. Thank you for all of your support, especially our help with getting us the check for Carlos' insurance. It was a great help and much appreciated.

I hope you have a great rest of the week. My cell is [REDACTED] if I can ever help in any way. Thank you!

Kind regards,
Becca
