Have you figured out SMS (text) yet?

Why don't you let *ME* run your foundation again? I could practice=neurosurgery half time and run your stuff the rest of the time. I'm cr=dible and I actually like being around you, sometimes. I also know how to =o foundation stuff really well now. You'd need to do some restructurin= and establish your goals. I'm not that old yet - I think I have 3 mor= productive years and then I become stupid old lady.

Boris is moving towards working full time with Bill (that's still =onfidential) and if I came to work for you, Boris and I could work closely=together to sniff out all the good science.

As with you, trust is very important to Boris. He will want to know if=he can trust you and how much he can tell you. I guess it just takes time.=/div>

We will both be in Miami in mid-December (probably on a Monday) but =f we could figure out how to get from Miami to WPB maybe we could stop by =o see you?
