I feel like this indeed...

I already decided to spend holidays home...and from there I'll have to take decisions! Definitely I don't want to stay home! I wish I could start something here, in London...

I'll consider your invitation coming before Christmas there!

I understand your frustration, you can do many things, this chapter is at an end.. you are welcome to come to Florida for a week,,DO NOT start to think about Christmas, and going home for the holidays and deciding after the new year, you are unique and need to take control NOW/ putting off decisions is not in your interest

Not good!

I feel I can't do it on my own anymore! I almost finish all the positiv= energy you gave me last time when I saw you! My batterys are almost fi=ished!

I'm running in a circle,going nowhere!

I wanted to start a new life here, to work, to rent a place, but seems like=everything is against me! My boyfriend gives me a lot of moral suport, and=believes in me like noone did before except you!

I have to take serious decisions as soon as possible!

I liked this kind of life, but is becoming more difficult every day.

And belive me, since I spent that weekend with you I started to belive more=in me and my powers...but as I said before,I'm becoming week.
