no she said she should have listened to my advice not yours.. now it is too=late. are there any other doctors besides victor. that you are referring to=. paying directly has nothing to do with the confidentiality of your relat=onship with any doctor. As I said before i will do it as you ask, though= once again it makes absolutely no sense. Ask Tina if it makes sense, ask =omeone you are again making silly requests based on lack of knowledge. and=once again i will merely concede.

What did she mean by you should have listened to me when you had the cha=ce? I don't understand that comment at all.

Yes, I don't have t=e option not to refer to the doctors you pay and if it meant I had to give=up my privacy to get a mole removed, it was worth it. But it is not with a=shrink. I can't work here and pay for my own as you know.

ghisl=ine was here, her message was , why didn;t i listen to you when i had the =hance.. most of your comments are negative and you continue to refuse to d=al with the reality of life. i don't want or need to bicker.. read =our own emails look in your own mirror. your concerns with others. it serv=s no purpose other than to create tension. I came to New york anxious t= see you. once again you started a fight.. bad mood sulking, leaving witho=t saying goodbye, this was all because you overheard me say baby in a happ= voice. then [REDACTED]. then the emails, then more suspicion please c=eck the time on the emails. this in the middle of my already stressed d=y. Ask yourself , what nice things have you done. did you make my stay =ore pleasant or less. you now tell me you don't feel comfortable if i =ay your bills directly because of some other suspicion. i have nevr asked =nyone except doctor victor re anything to do with you.. but you find no is=ue with referring to all the doctors i pay.

Maybe not but all the doctors you pay directly keep you well informed ab=ut my 'treatments' anyway and with this one I don't feel comfo=table in that situation.
