Andrew, The economy is looking up, the opportunities are many. If you are serious. lets do something together, it should be easy. My discipline is to have all negotiations via an email trail. so that there is never a misunderstanding on either side. Look forward to hearing from you.

Hi Andrew

=A0 Further details on our last conversation. Do you currently have a corp that you would use for the acquisition? , or would you want to form a new llc, if the goin= public option is viable, maybe a corp makes more sense. ( all the normal ad=- ons antil dilution,tag along drag along etc ) - If you want to buy other agencies for paper , a higher valuation may be in our interest. , otherwise=you might consider assuming debt ( lc and irs ) and putting up smaller amount of cash. 1.5-2m. With the economic crisis not yet in its springtime. there are many things to buy.

=A0 I shall be back in NY on Thursday and will speak with Megane. I don't know =er enough to do it on the phone

Take care

Jean luc
