The deposition is my case =ot moved until April; but I wanted to get back to you in February anyway.=A0 I'd like to see if I can be of any help in what you are going throu=h with the litigation. I can easily shoot down there and we can sit and=talk or we can talk on the phone, whether you want to throw thoughts/quest=ons around or have me get involved in the case(s). I tried quickly to d=scern what I could from the docket sheets, focusing mainly on what has bee= designated as the "lead" case grouping them together. I see =hat you are going to have a mediations session and that discovery has been=extended. I also saw that one or two have been settled separately. <=font>

You have some cast of characters in these cases. One law firm's=email advertises itself as a sex abuse specialist apparently and another c=aims to provide a "apathtojustice." Then they got Paul Cassel= to help for one plaintiff apparently and you have Marty Weinberg and this=Tein fellow I saw in another case down there, plus several others. Wow.=A0

I have to tell you I have heard some decent things about Judge Marra.=A0 I think I mentioned middlebrooks was recused from my case and we now ha=e both Marra and Magistrate Judge Johnson. She just entered a terrific =rder on a motion I filed to make the government pay my attorneys' fees=for erroneous and abusive filings they had made. Never know how they wi=l be in the long run; but good signs so far.

Let me know if I can help and in any event, I wish you good luck and o=t of this mess as soon as possible and on to only positive and productive =hings.

Take care,

David
