Jeffrey Epstein

So the double balance is only 17,087=since August. Turns out not being able to travel internationally is proble=atic for a pilot, among other things..

I'm trying to hire a lawyer f=r a green card, file a patent application, pay credit cards, get plane fix=d and hoping to freeze eggs soon. Is it possible to get an advance on futu=e doubles to help move things along? I can offer continuing educatio= for Russian girlfriends.. ;)
