Brice and I have both interviewed a very good candidate for the Island Landscape Supervisor and would like to propose that we hire him. I have attached his resume for your review. I think we can get him for \$50K plus benefits. He can start within 2 weeks. Great personality; very intelligent, energetic and experienced.

Would you like to meet him, if so do you want to try to set up a short meeting with him for tomorrow out on the island?

Thank you,

Stephen
