if ,you are not to blame for what happend,, in this case,, who is?. THAT=IS MY POINT> you cant avoid it- It is as a direct result of your many p=or choices. yours and yours alone., . I am not disciplining you. you have =ot been punished, sentenced or penalized by me, I love you and it pains=me to see this.. when people suggest you treat me with the same degree of =areless reckless poor judgment that you have treated balle , no one sugges=s you are not loyal or do not love either. THE reality is that your vie= of things are skewed,the facts of your actions and the results of your=behavior, are i hope easier to see with Balle. I have been by your side fo= years , I am the most loyal friend you could ever hope to have, i have ta=en you from a girl with not even a high school education and did my best t= guide you to adulthood. You refused to meet what i said my needs were,=nd continued to follow your own choices, nagging nagging, nagging, and con=inuing in the face of reality to fabricate an illusory , view of your actu=l help.. I am hoping that the BALL-e situation clarifies your role. In her=case , if you were to tell her , but last year i was loyal and stood by yo=r cage when you were sick, and you know i love you. JUST look in her ey=s, -you ignored Jeffreys advice re peabo. i know you care , but that is n=t enough, your actions are directly responsible for what has happned . you= actions , not your motivations , your actions

I don't know how our recollection of events can be so different.

You left to NYC and didn't answer your phone when she was giving birth =hile Story stayed on the phone with me throughout the night. I was terrifi=d about anything going wrong and I made decisions not based on Story's=opinion, but the vet's. I hope we can at least agree I absolutely want=d to do what was best for Ball-e and had no other motivation. You made no =ecisions, waited for the result of mine and then lectured me about what I =id wrong. Well, at that point I could see it for myself and don't need=anyone to point out the mistakes. Regarding Fatt-e you were unfortunately =gain not available during the critical moments and I had to make decisions=by myself about where to take her and what to do. You clearly had no contr=l over it and I am not suggesting you left me without help on purpose. You=were very helpful and kind once you landed. I did the best I could and the=e was nothing irresponsible or reckless about my decisions. I do feel guilt=y for not being home for the few hours before you left when something happ=nded to Fatt-e.

For the record, I am not suggesting you are responsible for anything that h=ppend with the dogs at all. They were fully my responsibility. You were no= involved and I realize the mistakes that were made. What I am saying is t=at you are not in a position to discipline me about it or blame me for wha= happened

I will help you with watching Balle/ It concerns me that you still have not learned that your responsibilities are yours,, not the people around you. =AOI feel sorry re Fatte. it was unfortunately inevitable. You took m= gift to you. probably the best dog i have seen, treated it carelessly or =ecklessly. I told you the moment I saw Peabo to get rid of it. you chos= not to. I specifically told you i didnt want Balle pregnant as it woul= change her personality which was unique. If you refused to do as i ask=d and you had the right to breed her, but it should be with a champion blo=d line, you chose not to. I asked you to give it away to someone oth=r than your grandfather, you chose not to. , You took balle and were carel=ss with peabo around. Irresponsible , When she was diagosed as pregnant=,you made a big showing buying all the equiptmnet , so it could give=birth in the house. you had gloves all the stuff you wanted, however wh=n push came to shove , you told me story advised you and , you turned over=the best dog to people you didnt know at all,, left the dog with the lowes= forms of life , and the result is the result. you then are both carels=s and reckless with keeping the last dog under close supervision. you take=it to a place where you dont know anyone, get sold a bullshit story , buy =n like you do to so many other on,line , tv scams , with again the same re=ult. Unliike balle , I can take care of myself. though you claim to lov= us both, neither one of us remain the same.
