Subject: Ski Trip 'Adventure' for [REDACTED]

I have been helping [REDACTED] and [REDACTED] since yesterday with their ski trip adventure. They were able to get to Chicago but due to weather, all flights to Aspen were cancelled...I had them on a flight to [REDACTED]...organized a car to drive them to Aspen...then the [REDACTED] flight was cancelled (I cancelled the car and received our money back)...American Airlines put them on a direct flight to Aspen for [REDACTED] morning...the flight was delayed an hour and 10 minutes, but [REDACTED] are in the air now and will land at 2:06pm local time! Because the [REDACTED] cancellations were weather related, American would not pay for a [REDACTED] room last night...I got them a room at the Hilton at the [REDACTED] airport. Somehow, their luggage wound up on a flight that DID make it [REDACTED] to Aspen...a flight that I had tried to get them on but was [REDACTED] was cancelled? I assume now it was sold out (?) So they had not [REDACTED] luggage last night...they will retrieve it today upon landing... The hotel in Snowmass is aware of the situation... I was able to [REDACTED] their ski/snowboard lessons to tomorrow and Tuesday... Hoping the rest of the trip is less adventurous...
