it also is =enerators are going to work  
floor is going to get installed correctly with a savings=C2♦  
Ceramic ( t=at's what your employee told me you wanted on small houses) is going t= get installed with a savings  
The right Palm trees are going to get installed  
The architect and engineer= are not going to rip us off  
I can go on but I don't want to battle Richard not fair to =ou or me  
Fo=get about who and how many of my clients I have it's about my value to=a client not just a project  
The lack of knowledge was based on what info your employee=was giving me and you never told me  
You wanted to change the material you actually tol= me you wanted what was there and it's not white oak

When I get out of bed I will send the landscape =rchitects info that I have been speaking to

I'm happy to talk after 9am
