Attached=is an updated site plan for the Office/Master Bedroom area.

This pla= does not have a roadway connection all the way around as in the previous plans. <=span>

This is = "flat terrace" plan and the main terrace area is the same width as the master bedroom building.

The stai=way has been moved more to the west.

The lowe= courtyard in front of the office breezeway has been enlarged and the walls are approxima=ely 6' ht.

All wall= are flat & stepped instead of being sloped.

Also, I =ave shown the new stair & walk connection from the kitchen.

Please r=view and let me know if you have any thoughts.

I'm al=o sending to Andrew and he can do a SketchUp 3D drawing if you think it's ready for that step.

We also =ill stake it out in the field for your next visit.
