You were clear about telling me not to cook and worry about anything becaus= you were going to have all this help from [REDACTED] and other staff. She was go=ng to make tea, cook, make you breakfast and take care of your errands.. It's a bit amuzing that the girl you describe as more helpful because s=e can make you breakfast at 30 years old can't make a peanut butter an= jelly sandwich, tell the difference between mint and parsley, fry an egg =r set up a table...

It is clearly frustrating to hear you constantly complain about me and labe= her as helpful seeing she is incapable of doing the simplest of things. T= be clear, I don't dislike her at all, I think she is cute and funny b=t about as helpful as a 6year old and just as clingy..
