my advice is to take a breath and =eal with it up-front/ tell gordon the whole truth.. you are disappoi=ted, however, his remaining in his position is untenable. he lacks support= and you do not want to be seen as anything but i true loyal subject. y=u would be being duplicitous to make believe there was not a crisis in =he future. He knows you, if you go off on vacation and then the hatchets c=me in , he will know it was you , and you would have lost his and others r=spect.. YOU are super strong.. tell the truth,
