One of my favorite portfolio founders Francis Pedraza <https://angel.co/francispedraza> is in New York next week. He is great entrepreneur and interesting person, smart, alive and talented. Thiel and lots of cool people invested in him in the past. I think you'll enjoy meeting him. No agenda, you both are smart and fun and likely enjoy knowing each other.

I'm flying from Moscow and in New York next Monday. If there's any chance you are there, we can meet all together.
