Machine made in May 2014, so out of warranty.

**\*\*If\*\*** it was in perfect =ondition, Apple would only give \$575 in trade in. Mike's tech =hop estimates repair at \$600. So for \$600 we get a \$575 machine.... not = great value.

Also, it needs cleaning. Ahem.

Thank =ou,

James =e
